

The Village of Siren now offers the **option** of having your utility payments automatically deducted from either your checking or savings account. This not only saves you money on checks and postage, but it assures that your bill will be paid on time. Whether you're at home or on vacation, you never have to worry about getting your payments in on time, we do it for you.

Here is how the automatic payment plan works:

Payments are withdrawn on the 20th of each month unless you notify the Village prior to the 15th of each month. If the 20th of the month falls on a Saturday, Sunday or legal holiday, payment will be withdrawn the next business day. If you have any questions about how this service works, please feel free to give us a call at (715) 349-2273. You will continue to receive your monthly bill.

Simply cut along the dotted line and return it to the utility office along with a voided check to sign up for this service.
